YOUTH WITH A MISSION AND THE DTS

Youth with a Mission (YWAM) is a world-wide inter-denominational missionary organisation which was founded in 1960, and provides opportunities for Christian service on a short or long-term basis. You can find out more by visiting Youth With A Mission YWAM England and YWAM Derby

The person named above has listed you as a mature Christian friend and as such we would ask you to act as a referee for their application to attend this YWAM course. Thank you for your willingness to help us in this process. This Urban Discipleship Training School (UDTS) includes at least 12 weeks of a combination of lectures and local urban outreach, with an overseas outreach following, providing an opportunity for the trainee to use their skills. It is, therefore, not in the applicant's best interest to give an unrealistically positive view of them. An honest, realistic appraisal of the challenges they will face will help rather than hinder their application. If you would prefer to give your opinions by telephone, please feel free to do so.

We need to receive this form before we can process the application – ***thank you for returning it as soon as possible.***
